SCIENTIFIC MEETINGS is published 3 times a year. Subscriptions for 1958 are \$4.00. Single copies \$1.50. Make checks payable to SCIENTIFIC MEETINGS.

This issue of SCIENTIFIC MEETINGS list those events which are scheduled to be held on or after July 1, 1958. The data concerning the meetings are, for the most part, prepared from announcements appearing in scientific journals. The accuracy of the data, therefore, depend on the accuracy of the announcements. The editor invites scientific organizations to send announcements of their own meetings directly from their headquarters.

Part 1 of SCIENTIFIC MEETINGS is an alphabetical listing of organizations sponsoring events. It contains complete data on the meetings. Part 2 is a chronological list; this part is a "finding list" only, and it will be necessary to refer to Part 1 for specific information.
